

3 Channels power supply

Features

- Easy plug and play
- 3 channels
- Low noise
- Interface with IEPE sensor
- Easy plug and play

Electrical

Power requirement:	
With AC power adapter	24~36 VDC
With USB power excitation.....	5 VDC
Output resistance.....	<100 ohms
Output $\pm 10\%$, 25°C.....	4 mA

Environmental

Temperature range.....	0 to 70°C
Shock limit.....	Up to 50g
Sealing	Epoxy seal

Physical

Weight.....	210grams
Input connector.....	BNC(Male)
Output connector.....	BNC(Male)

Accessories

Plug in DC power supply

Check LED

Green light: Sensor is working

Red light: Sensor internal short, error.
