

3 Channels power supply

- Features**
- Easy plug and play
 - 3 channels
 - Low noise
 - Interface with IEPE sensor
 - Sensor detection

Electrical	
Power supply.....	5 Vdc
Current consumption.....	<100 mA
Excitation current ±10%, 25°C.....	4 mA
Output resistance (AC).....	<100 ohms
(DC).....	200K ohms
Output voltage.....	±5V
Output bias.....	0V

Environmental	
Temperature range.....	0 to 70°C
Shock limit.....	Up to 50g
Sealing	Epoxy seal

Physical	
Weight.....	210grams
Input connector.....	BNC(Male)
Output connector.....	BNC(Male)

Accessories
Plug in DC power supply

Check LED
Green light: Sensor is working
Red light: Sensor internal short, error.
